NOTICE OF AVAILABILITY OF THE FINAL EIS

Notice is provided of the availability of the Final Environmental Impact Statement for the proposed ***King County Site Work and Washington State Convention Center Addition***.

The site of the proposed ***King County Site Work and WSCC Addition*** is in Downtown Seattle, approximately one block northeast of the existing Washington State Convention Center.

The Final EIS analyzes the probable adverse environmental impacts associated with the ***King County Site Work and Washington State Convention Center Addition's Preferred Alternative (Alternative 4.1)***, together with five other development alternatives for the ***WSCC Addition***, and the No Action Alternative associated with the ***King County Site Work and WSCC Addition***.

This Final EIS can be reviewed at the ***WSCC Addition*** websites (www.wscaddition.com and www.wsc.com), at the Washington State Convention Center Administrative Office (705 Pike St., Suite 206) and/or at the ***Seattle Public Library – Central Library*** (1000 Fourth Ave.).

Thank you for your interest in the proposed ***King County Site Work and the Washington State Convention Center Addition*** Final EIS.
