

Construction Updates - OCTOBER 10, 2018

Project Overview

The Washington State Convention Center is constructing a 1.4 million-square-foot Addition to its existing facility to meet the national and international demand for meetings in Seattle. Completion is scheduled for 2021. The work encompasses the current Convention Place Station site and the two blocks immediately north of that. Demolition, excavation and utility work are currently under way. Buses continue to access the Transit Tunnel through the site, with passenger access relocated to Ninth Avenue. Weekly updates outlining current work plans are being distributed to neighbors. Please contact us if you have any questions or concerns related to our work. To receive updates, please send your contact information to wscca.notifications@clarklewisjv.com

Work to be accomplished between 10/11/18 and 10/29/18 will be:

- Demolition and removal of demolition debris from inside the site
- Continued excavation and shoring operations on site
- Installation of duct banks along Boren and Howell
- Construction of the temporary re-route of Olive Way

Work site is highlighted on the map below. This will necessitate the following temporary traffic control set-up:

- Sidewalk closure on the East side of 9th Ave between Howell and Olive
- Sidewalk closure on the West side of Boren between Howell and Pine
- 3 year closure of Terry Ave between Howell and Olive
- Single lane closure of the South side Olive near 9th Ave
- Night closure of 2 center lanes of 9th Ave between Howell and Olive (No night work on 10/12/18 and 10/13/18)
- Night closure of the 2 West lanes of Boren between Howell and Olive (No night work on 10/12/18 and 10/13/18)
- Night closure of the 3 South lanes of Howell between 9th Ave and Terry (No night work on 10/12/18 and 10/13/18)
- On 10/20/18 after 8 PM there will complete closure of Olive Way between 9th Ave and Boren. Olive Way will be re-opened the morning of 10/21/18 as a 2 lane road until the end of November

Regular Work Hours are from 7 AM - 3:30 PM, Monday - Friday

Impact Noise Hours are from 8 AM - 5 PM, Monday - Friday and 9 AM - 5 PM, Saturday - Sunday

Work outside regular hours to be accomplished between 10/11/18 and 10/29/18 will be:

- Installation of duct bank at 9th Ave and Howell, and at Boren and Howell from 8 PM - 6 AM weekdays and 8 PM to 8 AM Saturday and Sunday
